Workshop facilitators to lead a workshop at the AVM Conference 2024

Are you passionate about Equity, Diversity and Inclusion (EDI)?

Do you have a successful project or experience of recruiting volunteers from under-represented groups that you'd like to share with your peers?

We are looking for facilitators to lead EDI-focused workshops at our upcoming conference in October and we'd love to hear from you if this sounds like something you would like to do.

You'll be supported to deliver your workshop in an engaging and interactive format, with technical support in the lead up to the conference and on the day.

Our workshops are consistently rated as one of the best parts of attending an AVM Conference with opportunities to learn, network and connect with contacts from across the sector.
